Principal's News

What a busy and productive term, I can’t believe the middle of the term is already here.

This week I’d like to bring to our parents and carers attention our policy for some of our senior students having mobile phones at school. Some of our students need to have mobile phones at school in order to contact their parents/carers for safety and security reasons before and after school. If students need to bring a mobile phone to school parents will need to write to me seeking permission and stating their reasons. The conditions for having a phone at school is that their phone is turned off at all times while at school. If parents need to contact their child while at school, this needs to be done through the front office.

If students use their mobile phone while at school, including the school playground, the phone will be confiscated and parents will need to come to school and collect it. We cannot accept responsibility for phones that are lost or damaged.

Also, a timely mid-term reminder is the importance of keeping the school up-to-date if your family address, phone numbers or any other personal information changes. Being able to contact parents or emergency contacts is vital in the event of an emergency. Please send in a signed note or email and we will do the rest. Additionally, if your email address has changed please advise us so that we can keep our records up-to-date.

Top Playground play equipment: Due to the recent storm, the play equipment situated in the top playground is out of bounds. Until we have clearance from an Arborist the area will remain out of bounds for all students.

Whole School Assembly: Next Tuesday 26th May we will be holding our Whole School Assembly at 2:25pm in the Hall. Visitors are welcome to attend.

Food Allergy Week 17-23 May
Did you know that 1 in 10 babies born in Australia will develop a food allergy? The Food Allergy Week website has lots of great information, ideas and resources to help you be more allergy aware.

Book Club Orders will be collected next Friday 29 May 2015.
A collection box will be in the Administration Office between 9—9.30am. Book Club orders will not be collected by administration staff. Please ensure correct money is enclosed as no change will be available. If paying by cheque please make payable to Scholastic Australia. No Late Orders will be accepted.
This term we are looking at **Resilience**

Low self-esteem and anxiety means that you worry a lot about whether other people like you and whether you will do as well at your school work as you think you should. These are called ‘blockers’ that affect your emotional resilience. They can include: self-downing, the need to be perfect, giving up or the constant need for approval. It is good to see you bounce back after being so disappointed. You are showing resilience.
